Our Privacy Statement explains how we use your personal information and how you can exercise your privacy rights. See our website for details.

TERMS & CONDITIONS

Anyone signing this agrees to the following terms & conditions:-

Livestock grazing on Parish Common land is entirely at the discretion of the Parish Council.
Signatories will liaise with other committee members currently grazing their animals on the common.
The Parish Council will retain contact details of livestock owners and these will be shared with other graziers committee members, as necessary.
All livestock owners must provide 24/7 contact details for emergency use and arrange suitable cover in the event of their absence from the village.
All livestock owners must ensure that their livestock are healthy, have had all the necessary inoculations and are safe to roam with other animals.
Dead livestock must be removed by the owner from the common within 24 hours of being aware or notification, ground conditions allowing.
All livestock must be correctly kept, managed, registered and identified as required by law
The Parish Council accepts no responsibility for the safety of the animals, this is entirely at the owner's risk.
Insurance (including public liability) of the animals is the owner's responsibility and the owners must accept all liability whilst on the common.
All livestock owners grazing their animals on the common must work together to maintain the common at their own expense eg:- clearing ragwort, maintaining fences.
Please note that the fences are of barbed wire construction.
Failure to comply with any of the above Terms and Conditions may result in permission to graze being withdrawn
In the event of the HLS being withdrawn, we anticipate the Parish Council issuing a charge for grazing.
